Community Halloween Party is Big Success

The community Halloween celebration at Mokena was a successful affair. The parade was made up of scores of youngsters, garbed in a great variety of costumes as befitting ghosts, goblins, devils, sprites, elves, and the like and there were even some who appeared as animals and insects.

The costumed marchers formed lines at the Mokena public school and moved from there to Front st., thence west to Wolf rd., and then south to the VFW hall, where the auxiliary of Mokena Amvets post, No. 183, which sponsored the parade, had made arrangements to have the costumes judged and prizes awarded.

The judges were Mrs. Mildred McMillan, Mrs. Mary Steinhagen and Jacob Barenz.

The Amvets auxiliary provided prizes for the youngsters whose costumes were judged to be the best, and the women expressed their appreciation for the unsolicited assistance given them by some of the South Wolf road business establishments in the form of candy, apples and silver dollars for distribution among the youngsters.

The costume judging took place inside the VFW hall and after it was completed the youngsters returned outdoors where the Veterans of Foreign Wars had a big bonfire going and long skewers—fully equipped with wieners or marshmallows. All the youngsters had to do was take one and hold it over the fire.

And it might be added here that the youngsters weren't the only ones roasting wieners or marshmallows—many adults were doing the same thing—and eating the products of their culinary skill. But that was all right. There was more than enough food on hand to meet the wants of those at the hall. The group there was estimated to be about 300.

Treats left over after prizes had been distributed were dispatched to orphanages.

Originally it had been decided to give three prizes in each of three divisions, pre-school, grades one thru four, and grades five thru eight. But there were so many prizes that the judges were pushed to the limit in picking winners and the awards were distributed according to ages.

The list of prize winners follows.

3-years and under: Mark and Mag Looschen, Harold Balaz, Jr., Connie Sue Newton, and Barbara Zugenbiller.

4-years-old: David, Charles and Robert Bills, Kirk Stauffer, Samuel Graham and Karen Moutrey.

5-years-old: Lynn Clarke, Michael Deaville, Thomas Tilsy and Michael Deering.

7-years-old: Daniel Jones, Linda Mattson, Kenneth Wilson and Sharon Baker.

8-years-old: Nadia Zemeske, Terry Warning, Scot Contois and Thomas Hamilton.

9-years-old: Tina Weese, Paul Dath, Kathy Bennett and John Gallagher.

10-years-old: Harry Brooks, Dennis Hein, Regina Stanger and Jean Murdock.

11-years-old: Paulette Cooper, Mary Ann Wise and Janet Schwad, Patty Ronan and Dorothy Lavezz.

12-years-old: Joan Sorenson, Carolyn Rinke and Geraldine Munch, Paula Muehler, Carol Fassett and Bonnie Bruce.

Will County Square Dancers, Callers To Appear on TV

Parents of Will County 4-Hers will have good reason to stay close to their television sets November 5 when the 4-H Square Dance Team appears on a network television show.

The 4-H Federation dancers are scheduled to perform on the Pee Wee King Show in Chicago with five different dances and featuring three different callers from Will County.

The callers are Leon Riegel, Roger Chisholm, both of Crete; and Don Wesoloski of Wilmington. The dancers are Vicky Baird, Roger Ullrich, John Fahs, Kathy Ullrich, Don Hoffman, all of Peotone; Eugene Leighty of Monee, Lodeen Heeg of Romeoville, and Carol Petleski of Lockport.

The federation dancers already have appeared at the WLS Barn dance at the Springfield state fair and corn harvest festival at Pontiac.

Hold Funeral For Fred Wischover, 74, Of Green Garden

Funeral services were held Monday for Fred Wischover, 74, of Green Garden township who died last Thursday in St. James hospital, Chicago Heights, following a brief illness.

Mr. Wischover was a native of Green Garden and lived there all his life. He was born Aug. 26, 1881.

Last rites were held Monday afternoon at the West End Funeral home, Chicago Heights, with the Rev. Henry Senne, pastor of St. John's Evangelical and Reformed church, officiating. Interment was in Green Garden cemetery.

Surviving Mr. Wischover are a sister, Mrs. Sophia Honsbruch of Chicago Heights, and one brother, William L. of Green Garden.

County Board To Pass on Farm Sale Question Friday

The Will county board of supervisors which is to meet tomorrow is scheduled to pass on the question of selling the county farm property. The state of Illinois, thru its youth commission, has offered the county \$182,000 for the 160-acre farm.

The youth commission, of which Wm Patton is chairman, would use the farm as the site of a diagnostic center for the processing of juvenile delinquents.

The state would spend \$100,000 on rehabilitating present buildings on the property and another half million for dormitories. Patton said the maximum number of charges that would be kept at the center would be 150; that they would remain there four to six weeks, and that maximum security measures would be taken to prevent escapes.

At a press conference in Joliet Tuesday, Patton said that no juvenile charged with infamous crimes such as murder or rape would be handled at the center. Boys or girls charged with burglary and larceny would be brought to the center to determine what final punishment was to be meted out.

There are some, however, who contend that under the law juveniles of certain ages must be referred to the commission for disposition regardless of the nature of the crime with which they are charged.

Patton said that the commission handles girls of 18 and under and boys of 17 and under. He added that 20 per cent of the boys sent to the youth commission, and 40 per cent of the girls are charged only with truancy.

Several Joliet persons appeared at the hearing to object to location of the center on the county farm property on the grounds that the area was fast developing into a residential section and they didn't want a jail in the midst of it.

County Chairman Meade Baltz, Joliet supervisor, said that for the county to refrain from selling the county farm would not prevent the location of the youth commission center there as at least two farmers in that locality are reported to be ready to sell to the state if the supervisors turn down the deal.

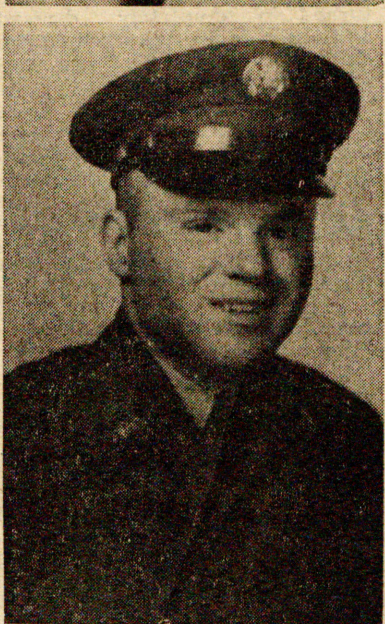

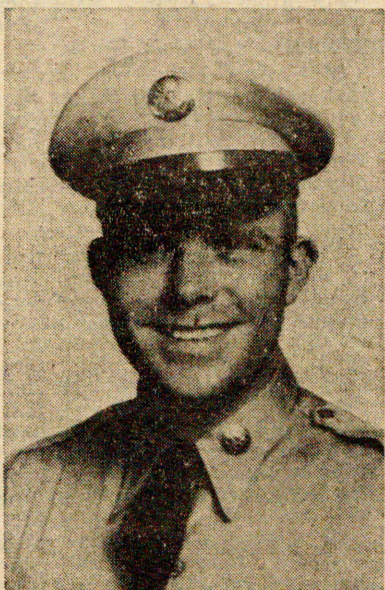

The persons now cared for at the county farm would be housed in the TB sanitarium, Baltz said, and a new sanitarium built.

Girls Deflate Tires, Escorts Man Pumps

Three teen age girls spent a portion of Halloween night in custody at Frankfort and the next forenoon in the offices of Sheriff Roy Doerfler and Juvenile Officer Paul Ohman in Joliet, as a result of deflating tires on three cars parked in front of the Frankfort bowling alley. The two youths who accompanied the girls did not take any part in releasing the air from the tires but they did man a pump and restore the pressure to normal.

Frankfort's police chief, John Pease, who collared the girls, told county authorities that he would be satisfied if those involved went out of Frankfort in the future. The girls agreed to this and were permitted to return home. The girls are all residents of New Lenox.

Twins Birthday

Alan (top) and Roger Hedges attended the same grade school, the same college, are in the same company in the United States army in Germany, and celebrated their 25th birthdays Oct. 26, together as usual. And why not—they are twins, sons of Dr. and Mrs. W. V. Hedges of Frankfort.

Both are in the 516th Medical company where Alan is a company clerk and Roger is a pharmacist. They are stationed at Ludwigsburg, nine miles from Stuttgart, and 175 miles from Heidelberg where Sherrill Weichbrodt, of Frankfort, is located.

Given the day off because of it being their birthday, Alan and Roger spent it at Heidelberg where they report having had a wonderful time. Both are enthused about the country of Germany. Like the people there and the food. The food, they report is wonderful and perhaps when they return home they will be able to introduce a few of the dishes in their home.

Alan is scheduled to return next June and Roger next October.

Frankfort Pastor To Conduct Mission At Pecatonica, Ill.

The Rev. Ben F. Day, pastor of the Frankfort Methodist church, will be guest minister at the Methodist church in Pecatonica, Ill., Nov. 5-11 in the northern phase of the Rock River Conference spiritual life mission.

The mission is aimed at deepening the spiritual lives of church members, urging them to practice the holy habits of regular church attendance, family devotions, prayer, daily Bible reading, tithing, witnessing, and daily living for Christ.

The Rev. Mr. Day will preach seven times in the mission, beginning Sunday morning, Nov. 6 and each evening Sunday thru Friday. He will return to his own pulpit here for the Sunday morning service, Nov. 13.

A similar spiritual life mission will be conducted in Frankfort Nov. 26 to Dec. 2 when churches in the southern half of Rock River Conference conduct their mission. Ministers in the northern half of the conference will be guest speakers for the southern phase of the mission.

Chemistry Teachers, Students Attend State Meeting

Neil Hardy, George Burrow, Fred Heitman and Don Korgaard represented Lincoln-Way high school at the fall meeting of the Illinois Association of Chemistry Teachers held at Champaign.

At this meeting, in addition to observing several new and interesting techniques in chemical research, they attended discussion sessions where students and teachers alike were given some idea of the employment possibilities in the fields of

School Will Make Survey of Human Resources

A survey to determine the resources—the human resources, that is—of the community is to be undertaken by Lincoln-Way high school.

The primary purpose of the survey, it was explained, is to prepare a list of persons who could and would be of service to the school's educational program.

The need for a complete file of resource persons in the area was first discussed at the faculty workshop last spring. A committee was established to explore ways and means of getting information about the people in the district.

It was decided that it would be an excellent project for the social studies group of the freshman class. Earl H. Dieken, head of the department embracing social studies and Jonas R. Lashmet, also of that department, were placed in charge and the plan is almost ready to be put in operation.

Each freshman is being asked to contact a number of persons in his neighborhood. A short questionnaire is provided which will list the occupations, hobbies, travel experiences and other related information of those individuals. The information will be typed and indexed in the school library under a resources file.

The students have already indicated more than 500 persons who might be of service to the school.

Cooperation of the public in answering the questions as completely as possible is asked by the teachers, they said.

1956 Chevrolets Go On Display at Trumps Tomorrow

They're here! The 1956 Chevrolets are now on view across the country and in this area will be seen in the Trump Chevrolet Sales show rooms at Frankfort beginning tomorrow Nov. 4.

November 4 is the date when the new models are to go on display. Trump will have nine of them, including a station wagon.

In a dentally independent sources show Chevrolet is leading automobile production by some 87,000 units at the present time.

The 1956 models carry increased horsepower, a fleetier, more rugged appearance and a broad array of bodies. 19 in all.

New in the low priced field is a 4 door hardtop sport sedan. There is no obstructing center pillar in the window area and the car is fashioned with the same styling zest that made the company's sport coupe a sensation.

Horsepower ranges from 140 for the sixes to 205 for the eights. Chevrolet also offers seat belts, crash tested door locks and precision aimed headlights.

Color schemes range from black to a newly developed pigmentation in beige and red. Ten solids and 14 two tone combinations are on the 1956 color chart.

Chromium molding, applied for the first time on the "150" series, sweeps along the sides of the 1956 bodies to increase the low, ground gripping aspect of the cars. Headlamp visors are more pronounced. Parking lamps are square and set low over the reshaped bumpers. A novelty is the location of the gasoline filler, concealed by the hinged left tail lamp.

The makers say the new engines give improved performance and gasoline mileage. The usual optional equipment also is offered, power brakes, power steering, automatic transmission, push button control of seats and windows. Directional signals now are standard equipment.

Chemistry and chemical engineering, the need for students to have some of their higher mathematics completed before coming to the university and also some demonstrations on interest setting experiments which can be performed with a limited amount of equipment and knowledge of chemistry.

During their free time, our group toured the campus, giving the students an opportunity to get the feel of the college atmosphere and to observe what they can expect of such an institution.

The model for the Statue of Liberty was the sculptor Bartholdi's mother.

Olga Smith, 82, Frankfort, Dies; Funeral Today

Olga Smith, 82, died Tuesday in the home of her nephew, Mr. and Mrs. Edgar Lund in Frankfort, with whom she had made her home for the past nine months.

Born Dec. 20, 1872 in Oslo, Norway, she came to this country with her parents, the late Mr. and Mrs. Ole Olsen. She was united in marriage with Louis Smith, of Utah, where they farmed until his death 11 years ago. Nine years ago she came to Chicago to make her home with her sister, Mrs. Nettie Lund and when the latter died nine months ago, moved to Frankfort to live with her nephew and wife.

Surviving besides her nephew Edgar are two other nephews and three nieces.

Funeral services will be held this afternoon, Nov. 3 at 1:30 in the Halliwell and James funeral home in LaGrange, with the Rev. Erich Bizer of Frankfort, officiating. Burial will be in the Oak Ridge cemetery.

FFA Campaigns to Save Hands

"Stop the picker."

That's the theme song this fall for members of the Lincoln-Way chapter of the Future Farmers of America who are taking part in the 1955 Illinois FFA Corn Picker Safety Campaign.

Vocational Agriculture Instructor Robert Van Rheeden, says that FFA chapters all over the state are uniting in this campaign to prevent corn picker accidents this year.

As their part in the campaign, the FFA boys will visit the farms in the area and will make sure that the farmers they visit know the rules for safe corn picker operation. They'll have a supply of University of Illinois circulars on hand concerning "Corn Picker Operation to Save Corn and Hands."

Each farmer who pledges himself to observe the rules for corn picker safety will have a special sticker placed on the machine by the boys.

The campaign will also include showing films on how to prevent corn picker accidents to remind farm people of the dangerous season ahead. These films will be shown to farm groups at meetings and in the vocational agriculture classes.

One reason why FFA members are so concerned with preventing corn picker accidents is that nearly 200 Illinois farmers were victims last year. Although this number was less than in 1951 or 1952, it is still terrifically high and much work remains to be done to educate farmers against careless practices in the operation of corn pickers.

G. M. Scholarship Plan Is Open to Seniors at L-W

Lincoln-Way high school seniors are being offered an opportunity to compete in the General Motors national scholarship plan, according to A. Hunter Chapman.

The plan, initiated early in 1955, provides for 100 four year scholarships, at least one in every state and 50 at large, at any college or university of the successful contestant's choice and in any field of study he may select.

Registration for the second year of the plan is under way now. Eligible to participate are high school seniors, both boys and girls, who are United States citizens, and who plan to take the college entrance board examination for admission to a school of their choice or who arrange to take the examination in order to enter the competition for a General Motors scholarship award.

Selection of award winners in the General Motors plan will be the responsibility of a group of leading educators representing various parts of the country. Full details about the General Motors plan, including registration dates for the examinations are available to interested students from Ralph E. Wright, Director of Guidance.

ST. MARY'S PARTY

To help the cause along of the building of the new church and school of the St. Mary's parish at Mokena, The Holy Name society will hold a feather party in the new school on 195th and 115th avenues, Mokena, Saturday evening, Nov. 19. An evening of fun is assured those attending. Everyone is invited.

Projects Will Make Chicago One of World's Largest Port Cities; Entire Area to Reap Benefits

The widening of the Calumet-Sag channel with the aim of breaking the bottleneck in the flow of traffic between the lakes and the Gulf of Mexico has begun.

Ceremonies attendant upon the beginning of the project were held yesterday. The commencement was dynamic—actually and historically. A charge of dynamite, instead of a shovel, was employed for the ground-breaking.

This colorful event—which is to mean so much to the economic life and growth of the Chicago area, particularly the south and west sections took place yesterday afternoon, Nov. 2, at the

west end of the narrow 16-mile channel, on a plot of ground adjacent to the old Archer avenue bridge (Rt. 4-A) two blocks east of Rt. 83.

This improvement program begun yesterday has been sought for more than two generations by civic, commercial and industrial organizations of Chicago and the middle west.

With the beginning of this work Chicago and the outlying towns and cities have really hit the jackpot, because the St. Lawrence seaway project which will link the lakes with the Atlantic also is underway.

Population to Zoom! The seaway, plus the breaking

of the bottleneck to the Illinois-Mississippi waterway, is expected to make Chicago one of the largest port cities in the world. The population in the Chicago area is expected to triple within the next two decades so one can readily imagine the tremendous effect this will have on this particular territory. Every community in the Chicago area will feel the impact.

Col. Henry Crown, chairman of the Material Service Co., and John W. Evers, president of Commonwealth Edison Co., were co-chairman of the committee in charge of the ceremonies yesterday.

Gov. William G. Stratton led the honorary committee including Governors George N. Craig of Indiana and Walter J. Kohler of Wisconsin and Mayor Richard J. Daley of Chicago, headed local and outlying city and township officials at the commencement activities. These officials represented Milwaukee, Hammond, Gary, East Chicago and Whiting, Joliet, Calumet City, Riverdale, Calumet Park, Harvey, Burnham, Dolton, Robbins, Worth, Crestwood, Lemont and Romeo.

Both Gov. Stratton and Mayor Daley spoke yesterday. Co-Chairman John W. Evers made the opening remarks at the commencement site and introduced the Cong. Barratt O'Hara, (2nd Dist.) who spoke on behalf of Cong. Thomas J. O'Brien, (6th Dist.) Congressman O'Brien was unable to speak because of ill health.

O'Brien it was who led the fight in Congress, backed by the full delegation of Illinois legislators in the house of representatives, for the \$4,000,000 appropriation of the federal budget to get the Calumet-Sag channel project under construction.

Engineer To Speak

The main address at the groundbreaking rites was made by Lt. Gen. Samuel D. Sturgis, Jr., Chief of Army Engineers.

Lt. Gen. Sturgis is a distinguished member of a prominent army family. His father, in World War I and his grandfather, in the Civil War, both attained the two-star rank of major general. His uncle fell with General Custer in the battle of the Little Big Horn.

Appointed chief of army engineers in March, 1953, Gen. Sturgis distinguished himself in World War II in the Southwest Pacific. He supervised building of airbases, ports and Army construction in 22 amphibious operations from Australia to Japan.

Today, he commands the world's largest construction agency with a work volume of four and a half billion dollars. He has responsibility for Army and Air Force military construction around the world, as well as the direction of flood control work, river and harbor improvement through the United States.

Work in the initial period of the Calumet-Sag widening and improvement involves 23.8 miles of waterway from the earth-turning site near Lemont eastward to Lake Calumet. The first three mile segment will result in widening from 60 to 225 feet. Later work, in addition to more widening, includes the replacement of railroad and highway bridges and the construction of a lock at the Calumet River.

Will Cost Millions

The importance of the Cal-Sag project, which has been considered for 20 years, is linking the middle west to direct coastal ports, both in the east and at the Mississippi-Gulf-New Orleans passage.

According to Col. Philip E. Kromer, Jr. of the Chicago District army engineers, the initial phase of this epoch-making inland waterway improvement will cost an estimated \$102,000,000.

The Calumet-Sag project coincides with work begun on the St. Lawrence Seaway project in which Chicago will play the important role of a port city. The Cal-Sag improvement is destined to increase the capacity of cargo tonnage from the present 3 1/2 million per year to 8 million tons. Because of the raised rate of traffic on the Cal-Sag channel, the bottleneck that exists now between the Great Lakes—St. Lawrence Seaway and the Illinois—Mississippi waterways and the Gulf of Mexico will be eradicated and waterway progress will attract a greater competitive shipping transport business.

Two Girls Win Scout Honors

Two members of Mokena Girl Scout troop No. 42 have been accorded a signal honor. They have been awarded first class badges. The recipients are, Louise Berg and Diana Bost, both 13 years old. Mrs. Clarence Berg, Marley Rd., is leader of the troop of which they are members.

To earn a first class badge requires hard work and the ability to stick to a job once started. Generally it takes two years to attain the goal and it has been a considerable length of time since such badges have been awarded in the Mokena area.

Louise Berg (left) and Diana Bost

Before one is eligible to try for a first class award one must have attained second class rank, which shows that a girl has knowledge in each of the following fields, arts and crafts, literature and dramatics; music and dancing, community life, international friendship, nature, out-of-doors, sports and games, agriculture, health and safety and homemaking.

Ten proficiency badges, of which no fewer than four, no more than five, are chosen from one field and the remainder from other fields must be earned. Thus in earning these badges a girl becomes skilled in many fields and proficient in one.

Louise and Diana selected homemaking and now are prepared to begin work on their curbed bar rank, the highest in the intermediate program.

Methodist Sunday School Spreads To New Quarters

Thru the courtesy of the Frankfort grade school board three classes of the Frankfort Methodist Sunday school are now meeting in the first and second grade rooms of the public school, according to Roderick Rainford, general superintendent of the Sunday school.

The arrangements have been made to help alleviate the crowded conditions of holding seven Sunday school classes of children ranging in age from two years to 10 years—all in one large basement room. Attendance at the Methodist Sunday school has regularly been in excess of 100 pupils in recent weeks, Mr. Rainford said. The new arrangement makes it possible for the staff to do better teaching and provides facilities to serve a larger enrollment.

The church plans to undertake a building program in the near future. The nursery class, taught by Miss Pat Heisner, and two kindergarten classes, taught by Mrs. John Belz and Mrs. Lloyd Heisner are involved in the change of location. Parents of preschool children in these classes are asked to deliver and pick up their children at the south door of the public school near the playground equipment.

L-W Footlighters Ready With Year's First Offerings

A six gun roars and another wily villain meets his maker. The door opens slowly and a long skinny arm slithers into view. A stern faced speed demon squeals to a halt to admit a strange hitchhiker. The soft, haunting notes of a violin are heard through the western night. No, this is not "Suspense," but it will be the Lincoln-Way Footlighters' Playfest at the high school gym Friday and Saturday evenings, Nov. 4 and 5. Curtain time is 8 o'clock.

The evenings' first offering will be Melville's "Man in the Bowler Hat." A play with a delightful twist ending. William Heidrich, Ruth Heimerdinger, Morris Wade, Mark Schellenberg, Ronald Hughes and Sharon Hutchins comprise the cast.

"Ringing in the Groom" is a family play with cast made up of Sue Schlotterer, William McCormick, Larry Cullison, Rudy Guzik, Charlotte Harris, Jo Ann Wenlund, Phyllis Lane, Marilyn Cooper, Janice Johnson, Diane Hochberger, Claudiia Thomas, and Anita McMahon. The "Great Western Melodrama" might well be called this year's Spectacular. Combining all the elements of the ever popular old fashioned "melodrammer," it has a cast comprised of William Noble, Sharon Moede, Sandy Eden.

The Footlighters group, with the major assistance of the Phil-Chem society is building temporary stage which will enable programs of this nature to be held at Lincoln-Way in the future.

Cub Scouts Begin 1955-56 Season

The first Cub Scout pack meeting for this season was held in the Mokena public school gym. The meeting was opened by Charles Swanberg, chairman of pack 40 and by Lyman Teague, Cub Scout Master assisted by Wendell Hamilton, assistant chairman of pack 40.

Wesley Cappel, assistant cub master read the roll call and presented Bob Cat pins to the new members.

An impressive graduation ceremony under the direction of Scout Master Arthur Omland was held for Tod Bennett, Ronald Teague and Ronald Tischer, who were leaving Cub Scouts to enter the Boy Scout group. For this occasion the colors were presented by Jimmy Jerrard, Gerald Daugherty, Russell Gills and Tommy Heinuke and candles were lighted by Scouts Robert Munch, Dan Williams and Mark Muehler, dressed in Indian costume. Robert Munch lighted the three candles representing the three parts of Scouting and Danny Williams, the 12 smaller candles representing the 12 points of the Scout law. Lyman Teague presented awards to the boys and Patrol Leader, Kenneth Lorenz placed a Boy Scout neckerchief on each boy following which Arthur Omland, Scout master extended welcome to each.

Following the ceremony, a skit, about bees and their habits, was presented under the direction of Mrs. Bruno Wallsclager, den 5, mother with the Cubs in costume. A perfect attendance award was presented to Mrs. Lyman Teague den 3 mother. As this is a traveling award, each Den may receive this award by maintaining perfect attendance Refreshments were served by Den 3 in charge of Mrs. Lyman Teague. Because the next meeting date falls on Thanksgiving day, it will be held a week earlier on Nov. 17. At that time Mrs. Russel Anderson, Den 4 mother and Mrs. Teague, Den 3 mother, will present the program.

Jack Fitzgerald gave a pre-
view of new home decorating
trends at the recent guest meet-
ing of the Evening Circle of the
New Lenox Methodist church in
the church basement. A repre-
sentative of a Joliet furniture
company, Mr. Fitzgerald stated
that 92 percent of the furniture
purchased is poorly selected. In
planning a room, the speaker
emphasized, one should consid-
er the family, guests and uses
and arrange it with proper bal-
ance and heights. The new
trends in color, Mr. Fitzgerald
pointed out, include the softer
shades or one color in varying
shades and interspersed with
gold or white. The speaker show-
ed samples of heavy and sheer
drapery material and multi-
colored and plain carpeting.

Prior to the business session,
Mrs. John Bell gave the devo-
tions based on reproduction of
the painting "When Day Is
Done" by L. H. Morgan. Guests
at the meeting included Mrs.
Cliff Davis, Mrs. Gilbert Gentz,
Mrs. Robert Taylor, Mrs. Thor-
val Larsen, Mrs. Alice White,
Mrs. William Penn, Mrs. A. D.
Miller, Mrs. Robert Buckler and
Mrs. Howard Scapardine.

A silent auction of bakery
goods, white elephant items and
other merchandise will precede
the Nov. 29 meeting. The meet-
ing date has been changed be-
cause of a conflicting schedule.
Jack O. Lanterns and cats deco-
rated the refreshment tables.
Hostesses were Mrs. Warren
Flear, Mrs. Glenn Vally, Mrs. A.
David Burns, Mrs. Robert Park
and Mrs. Gerald Johnson.

The New Lenox Home Bureau
met at the home of Miss
Caroline Bentley at 10 a.m. Oct.
28, with potluck dinner at
noon with 31 members and
friends present. Mrs. Edward
Berens, county chairman, gave
the lesson on paper craft, cov-
ering articles and favors for
Thanksgiving. The major lesson
on Food Facts and Fancies
was given by Miss Mary Carson
assistant home advisor. The
meeting followed the pot luck
luncheon which was held at
12:30. Mothers of the 4H mem-
bers were invited. Plans were
made to attend the county
achievement meeting Nov. 10 at
Pershing school in Joliet, of
which Home Bureau members
are invited, and friends of the
4H clubs.

The Second Child Study club
met Oct. 27 at the home of Mrs.
James Brooks with Mrs. Gene
Krohn assisting. Records on
teaching reproduction were play-
ed by Mrs. Ronald Vondrasek
and a movie was shown. It was
announced that the next meet-
ing would be held at the home
of Mrs. Robert Wysock Nov. 17
instead of the usual meeting
date, due to the Thanksgiving
holidays. Mrs. Horra Tucker
will be co-hostess. Refreshments
were served by the hostesses,
decorations were in Hallowe'en
effect.

Members of the Neighborhood
Girl Scout association will meet
Thursday afternoon Nov. 10 in
the Methodist church.
Members of the VFW Auxil-
iary post 9545 will meet Friday
night, Nov. 11.

Miss Virginia Feil was host-
ess in the home of her parents,
Mr. and Mrs. Fred Feil, at
Hallowe'en party Saturday night.
The Misses Karen Braun, Merry
Lee Collatz, and Marcia Weiss
assisted Miss Feil. Games were
played, and a treasure hunt was
enjoyed with group prizes award-
ed. A weiner roast with all the
trimmings was enjoyed by the
group around two big fires.

Chaperones for the party
were Mr. and Mrs. Frank Gib-
bons, Mr. and Mrs. Frank Lion-
barger, Mr. and Mrs. Joseph
Pecinak, and Mr. and Mrs. Feil.
The guests, from the 7th grade
class at Haven school were,
Terry Baker, Sharon Atmip,
Eddie Kistlinger, Kent Engel,
Tobhy Davies, Bob Glenn, Mer-
ry Lee Collatz, Marv Lynn Cum-
mings, Duane Ulrich, Dale An-

Mrs. Ann Krog was hostess
in her home Oct. 26 to her pin-
ochle club. Prizes were award-
ed to Mrs. Wilbur Walsh, Mrs.
Wayne Chesmore, Mrs. George
Marshall, Mrs. Roy Minger. Mrs.
Chesmore will entertain the
group at their next meeting.

The Friendly Neighbors met
at the new home of Mrs. Kay
Gougar Oct. 13 for a one o'clock
dinner, and Hallowe'en party.
At this party, birthdays of three
of the October-born club mem-
bers were celebrated: Melinda
Camden, Ruby Pape, and Lil-
lian Cvelbar. Each was present
ed with a corsage of roses and
baby mums, and a card from
the group. The next meeting
will be at the home of Mrs.
Elsie Carter, North cedar road,
Nov. 9. At this time, all the
dolls for the orphans must be
turned in completely dressed
and ready to be delivered to the
children. All members are urged
to be present.

Brownie troop 7 met with
their leaders Mrs. William
Knowles, and Mrs. William
Becker Oct. 25 in the basement
of the Methodist church. The
Brownie promise was said by
Lynn Schroeder, the hostess
Sheryn Alexander served cup-
cakes, assisted by Shirley Zarse.
The next hostess will be Caro-
lyn Clark. The troop enjoyed a
hike to the camp grounds.

Troop 97 met with their lead-
ers Mrs. John Olson and Mrs.
Harry Huss, Oct. 26 in the base-
ment of the Methodist church.
Troop 104 and the 4th grade
newly organized Brownie troop
met with their leaders and then
joined troop 97 for the program.
Troop 104 conducted the song
and flag ceremony. The program
which everyone enjoyed, was a
talk given by Dr. Murski, about
his homeland, Ukraine. Troop
97 has formed patrols of four
girls each which meet each
week with patrol leaders. The
patrols meet as a troop on the
last Wednesday of every month
in the Methodist church base-
ment.

Mr. and Mrs. Donald Yunker
and daughter of Orland Park,
and Mr. and Mrs. Warren
Mancke and children Jeanne
and Dale of Tinley Park were
guests Sunday of Mr. and Mrs.
Ervin Yunker.

The Royal Neighbors will
meet at the Lions Den for their
meeting Wed. Nov. 9. Mrs. Len-
na Koerner and Mrs. Gladys
Lyman will be hostesses.
Children of the Schmulh
school and teachers enjoyed
their annual costume Hallowe'en
party Monday morning at the
school. Games were played and
prizes were awarded. Dough-
nuts, taffy apples and orange
juice were served. Barbara Tay-
lor as Tinkerbell was awarded
first prize for her costume; Deb-
bie White as a Gypsy received
2nd; and Tom Hutchison as
Davy Crockett won third prize
for his costume.

A Junior MYF Hallowe'en

Fashion Show Big Success

The style show sponsored by the Sacred Heart league of St. Mary's church, Mokena last week was acclaimed a thrilling success by those in charge.

The affair drew some 250 women, representing all groups in the community with representatives from the surrounding towns as well.

The show was held in the Mokena public school auditorium. The clothes modeled were furnished by one of Joliet's leading stores. The Models were from Mokena.

A rich autumn setting of leaves and potted plants from the Bernardin Plant House of Mokena made up the background on the stage against which the styles were shown.

Music was furnished by John Marcek and refreshments were served following the show. Several prizes were awarded. Officers of the league and members of the committee in charge of arrangements for the show expressed their appreciation for the aid in making it a success.

W.S.C.S. GENERAL MEETING

A general meeting of the W.S.C.S. of the Methodist church was held Tuesday, Nov. 1 at 8 p.m. in the Tinley Park Methodist church. The program was presented by the Esther circle, which is composed of working women, with Mrs. Ada Schell-hase, chairman. The theme was "Women of the Bible" which was cleverly worked out in the popular TV manner, with panel discussion, quizzes, clues, etc. The Worship service was given by Mrs. Harry Schmidt. The Ruth circle acted as hostess.

ATTEND CONFERENCE

Mrs. Florence Butler of the Lincoln-Way high school and Mrs. Hilda Geuther of the Carl Sandburg high school, both teachers in the home economic departments, attended a conference Monday for off-campus teacher training supervisors in home economics at Illinois State Normal university, at Normal.

Senior Girl Scouts Plan Splash Parties

Senior Scout troop 268 of Tinley Park held a business meeting Monday at the home of Mrs. Woodrow Blaylock, co-leader. Plans were made for splash parties to be held every six weeks at the Thornton pool. Mrs. Brockbauer was a guest. Refreshments were served by Judy Roe and JoAnne Rizzuti.

The troop celebrated Halloween with a party Saturday evening at the home of Mrs. Ralph Dini. Gay decorations adorned the rooms and added greatly to the festivities. The evening started with a scavenger hunt which sent girls to all sides of town. A bunko party and refreshments awaited their return. All had a good time in a true Halloween spirit.

Senior Scouts of South Cook County had an enjoyable time Oct. 22 and 23 at an overnight held at Torn Creek woods. The week end started at 10 o'clock Saturday morning and ended with a flag ceremony Sunday afternoon at 3 o'clock.

The girls enjoyed cooking outdoors and activity periods which included instruction in knot tying, latching, compass and the correct handling of tools. Sunday morning the scouts attended a nearby church or the scout's own held in the woods. The goal of bringing scouts closer together in friendship was certainly realized, according to those in charge.

USO in Need of Volunteers

"See For Yourself" is the theme of the USO open houses being held Nov. 5 and 6 at the club at 308 N. Michigan avenue. All persons interested in helping the club through volunteer

service are invited to attend, and see the club in action.

Visitors will be taken on guided tours of the club and will be briefed on the work of the USO in providing a "home away from home" for service personnel stationed in the Chicago area and for others passing thru the city.

The open houses will be held between 8 and 10 Saturday evening, November 5, and between 3 and 5 Sunday afternoon, Nov. 6. All junior and senior hostesses at the USO are being issued invitations to bring families and friends to the club. Invitations are being issued thru the member organizations of USO. The National Catholic Community Service, the National Jewish Welfare Board, the YMCA, the Salvation Army, the YWCA, and the National Travelers Aid association.

"There is a desperate need for additional volunteers in this vital work of making service personnel feel welcome in our community," according to Mrs. Walter E. Heller, club chairman. "Chicago's reputation as the hospitality center of the world is at stake unless we secure volunteers who feel their responsibility to their soldier citizens."

m. Mrs. Lester Savers and Mrs.
Charles Stewart will be hostess-
es. All members urged to at-
tend.

The WSCS Day circle met
last Thursday morning, in the
church annex. Mrs. James
Creer, Mrs. Charles Cooper and
Mrs. Elmer Newton were
hostesses for the luncheon. The
regular meeting of the WSCS
was held in the church base-
ment in the afternoon. Observ-
ing the Week of Prayer and Self
Denial week, Rev. Robert Plas-
tow was in charge of the de-
votional period. The offering
was taken for this observance.

leadership of Mrs. Richard
Yang, met Oct. 26 in St. Mich-
ael's church basement. Mrs. Har-
ry Steinfatt, past president, of
the Orland Park Junior Women's
club, presented Cynthia
Cooper, Linda Davidson, Sally
Doogan, Donna Nicolai and Vir-
ginia Yang with the first year
membership pendant. The flag
ceremony was followed by in-
vestiture ceremony for two new
girls, Patricia Devine and
Rhonda Fleming. A Hallowe'en
party followed adjournment.

STATE CAPITOL REPORT

Gov. William G. Stratton has
called attention to a campaign
which will be carried on all thru
November in Illinois and the
nation, preparatory to Safe Driv-
ing Day, Dec. 1.

The campaign, designed to
make motorists and pedestrians
safety conscious, will be step-
ped up from Nov. 21, "S-D min-
us 10," through Dec. 11, "S-D

plus 10." During that three-week
period a count of traffic deaths
throughout the country will be
watched to measure the cam-
paign's success.

In a proclamation designating
Dec. 1 as S-D Day in Illinois,
Gov. Stratton urged individuals
and organizations to back this
movement for increased high-
way safety.

When you want to make a
right turn with the green light,
yield the right to way to pedes-
trians who may be in the cross-
walk.

SCHOOL NEWS

SANDBURG HIGH
The number of students who use the library at Sandburg high school is increasing daily. For the past week a daily average of 75 people have used the

library for studying in the morning between 8 and 8:30. The circulation of books has greatly increased. Last year the exact number of September was 436, but this year it has increased to 883. Almost everyday some new books have been placed on the shelves. Among recent ones are

set of Compton's encyclopedias, The Mayos (doctors) Ladies of Courage and many more of educational interest. Yes, our school library is really growing! Miss Stigall is really proud of the increasing growth of her library here at Sandburg high school.

FAMILY NIGHT

Tinley Park PTA invites the entire family to a program especially planned for children and parents tomorrow night, Nov. 4 at the Tinley Park school at 8 pm.

Featured will be the Bremen high school band in forty minutes of entertaining music. The business section of the meeting will be held to a minimum.

Plan to come as a family to this once a year Family Night. The executive board of the Tinley Park PTA held its meeting Oct. 31 at the school at 8 pm. Final reports of the recent ways and means endeavor, Fun Night, were presented as was the membership campaign report. The proposed project for the year, the remodeling of the school kitchen, will be presented to the membership tomorrow night, Nov. 4 in the form of 3 recommendations. Hostesses for the evening were Mrs. Walter Fierke; Mrs. Edwin Gewerth and Mrs. P. L. Jochum.

Members of the Green Garden PTA will compose a panel for questions and answers on why every one should belong to a Parent Teacher Association.

If you are self-employed, you can arrange with your bank to buy a Savings Bond for each month, deducting the amount from your account.

CARD OF THANKS

I wish to thank all my neighbors in Sunny Acres who contributed so generously to a cash purse presented to me this past week; also the St. Mary's Keen Teen Klub for their check of \$25; to all who have contributed blood and those who have been of any assistance in my recent trouble; and last but not least to the Rev. Father Cecil Koop for his assistance and prayers.

I am happy to report at this time that my husband is almost completely out of shock, and we hope to move him to Hines hospital in the near future.

MRS. LOUIS MALY

The Spiess brothers and their wives gathered in the Wilbert Spiess home Sunday to observe the birthday of Mrs. Spiess. Cards were enjoyed followed by refreshments.

Mrs. Margaret M. Semmler received word Tuesday that her cousin, William Houchin of Branson, Mo., has suffered three

paralytic strokes since Aug. 8, having been in the hospital there three times and now is recuperating in the home of their friends, Mr. and Mrs. Clarence Farrow.

Mr. and Mrs. Lyman Teague entertained Sunday evening at a dinner in honor of their son Donald and his 9th birthday. The dinner was also in honor of their nephew Robert Stolberg of Bellwood who was recently discharged from service. Those present were: Mr. and Mrs. Leroy Harling and family, Mrs. Robert Ross of Elmhurst Gardens, and children Richard and Robert.

Billy Pommering, 8 years old son of Mr. and Mrs. Pommering of Mokena celebrated his birthday with a party and eight of his friends, Thursday afternoon. After games were played refreshments were served.

Mr. and Mrs. William Lowry and family have moved to Chicago with her parents, Mr. and Mrs. Charles Singler until their new home in Sunny Acres is completed.

Mr. and Mrs. W. H. Pittman are spending 10 days in Chicago with her daughter and family. Mr. and Mrs. William Schmidt, while the latter is in the hospital with their new son, William George who was born Nov. 1. He weighed seven pounds 15 ounces and will be welcomed home by a brother and two sisters.

Marilyn and Joan Sorensen and Lorraine Marshall entertained in the Sorensen home Saturday evening at a Halloween party. Guests were classmates at St. Mary's school, all came in costume. Offer games and prizes, refreshments were served.

Mr. and Mrs. Robert Fortman of Woodland Circle enjoyed guests over the week end. They were her aunt, Mrs. Mae Gagon, uncle, William Rupnow; cousins Judy Weidell and her finance and cousin Seaman Jc Ronald Rupnow.

Milton Geuther is spending this week in Phoenix, Ariz., attending a meeting of state managers for the American Dairy association.

Mrs. Bill Lankenau, Lebanon, Mo., entertained Friday evening in the home of her mother, Mrs. Erwin Warning, 93 McGovney St., at a post nuptial shower honoring Mrs. Donald Smith of Chicago, formerly Miss Shirley Jones, daughter of Mr. and Mrs. Harold Jones, Mokena. A chrysanthemum corsage was presented to the honored guest. Games were played with prizes awarded and duplicate prizes to Mrs. Smith who received many lovely gifts. Desert-coffee was served to the guests who came from Joliet and Mokena.

A dinner was given Sunday in the home of Miss Christine Schmidt to observe her birthday and that of her twin brother John. Present were their sisters and brothers, Mr. and Mrs. Herman Biefeldt of Joliet; Mr. and Mrs. Lloyd Warning, Mr. and Mrs. Edward Schmidt and Mr. and Mrs. Marshall Muller of Mokena and William Schmidt of Orland Park.

Mokena Girl Scouts troop 186 5th graders, enjoyed a hike and cook out at the Mokena park last week end. The girls are now working on their second class badge which is knot tying.

They held a Halloween party at their meeting Monday night in St. John's church. Games were played followed by refreshments. Mrs. Harold Behen and Mrs. Robert Lang are the leaders of this group.

Mr. and Mrs. Nick Grybash and family visited their uncle and aunt, Mr. and Mrs. John Poskonka of Blue Island at their cottages at Bass Lake, Ind., over the weekend. En route they saw a three car collision and later police caught a fugitive from justice.

Bruce Claude, the adopted son of Mr. and Mrs. Arthur Henke, was baptized in St. John's church last Sunday morning. Mrs. Elaine Schueter and Mrs. Evelyn Bettenhausen of Tinley Park, and Mr. Bruce Martie of Friendship, Wis., were the sponsors.

Kindergarten Pupils Have Hay Ride

Orchard Hill Farm kindergarten was host to mothers at the annual fall roundup. Mothers and children had a hay-ride, and the children rode the pony. All had a picnic lunch in the colorful forest preserves. Pictured are the children on the hay rack. That odd object in the foreground is a totem pole constructed by the pupils.

ROOM NEWS

By Suzanne Watkins

Mrs. F. Phillip's 4th grade took a very interesting trip to the Tinley Park Dairy. There they were shown how milk is pasteurized and homogenized, how the chocolate is cooked after it has been pasteurized and

homogenized. They then went to the machinery department and were given a choice of chocolate, vanilla or fruit drink. The room is studying the Hopi Indians and will be making totem poles and Cochina Dolls.

The fifth grade room, of whom Miss Flora Rogers is teacher, went on a field trip to the Aquarium and Field Museum. The room gave a going away party for Mary Jane Sparks, last week who moved to Terre Haute, Ind.

Room 301 has six new pupils. They are: Edward Cowen, Barbara Barker, Paula Nordoni, Mary Louise Vollmar, Sharon Benbow and Penny Tomak. Mrs. Ada Schellhase is the teacher. Mr. L. De Young's sixth grade had a presidential election last week. The treasurer is Trudy Bridge; secretary, Marilyn Bettenhausen; vice president, Pat Anderson and the president is Ronald Roger.

A club is being held to teach the boys and girls parliamentary procedure. The meetings are very strict.

There are four new pupils in Mrs. Zohler's seventh grade. They are: John Rogsdale, Carol Anne Kraft, Linda Austin and Peggy Coley. Karen Pokorney has been absent for two weeks with trench mouth. The class hopes she will return soon.

Mrs. Triem's seventh grade has four new pupils. They are: Katherine Mosek from Franklin Avenue School in Western Springs, Steven Grossman from Nettehorst school in Chicago; Greg Nelson from Dogwood school, Park Forest; and Glen Gibbons from Owens school, also in Chicago.

FAMILY FUN NIGHT

The P.T.A. sponsored annual family fun night was held in Tinley Park school.

Some of the attractions were the cake walk, the white elephant sale, the spook show and many others, of which all were enjoyed by the attending crowds. This year for the first time the Candid Camera stand was one of the attractions. It was run by Mrs. Galia Ging and Mrs. Francis Teahand. The chairman of Family Fun Night this year was Mrs. Elmer Knudsen. The white elephant sale had records, comics, old pictures and many other things ranging in price from two to 25 cents.

STUDENT ELECTION

By Fran Swisher

In a recent Tinley Park school election on the first of its kind, Gregg Nelson was elected president of the student council with 140 votes. Howard Wehr, his opponent had 90 votes and Ronald Elmore had 63 votes. Barbara Brown won the vice presidency with 169 votes. Her opponent Rose Larimore had 122 votes. The candidates for the remaining offices and their votes are as follows: secretary, Louise Ann Francis 164 votes, Georgine Keuch 124 votes, treasurer; Bonnie Bettenhausen 106 votes, Donna Larson 62 votes, Mike Dalrms 51 votes, William Johnston 42 votes, Charles Powers 31 votes; Sergeant - at arms, Frank LaRocco 122 votes, Roy Wowler 90 votes, Carol Zaremha 74 votes.

During the week before the election campaign buttons were worn by enthusiastic supporters and posters adorned the corridors and classrooms.

Candidates and their campaign managers delivered self-written speeches, a project of Miss Frances Thurson and Mr. Lynden De Young's English classes. Kay Swisher was master of ceremonies. The audience sang "What's The Matter With Tinley" and "I Like It Here" with Mrs. J. Bretthauer accompanying on the piano. A special feature was a recorded speech by Paul Buck, a seventh grader, in support of Bill Johnston who was running for treasurer.

For the election all the grades were divided into precincts and only the registered voters could vote. Printed ballots and ballot applications were among the authentic properties of the polls in the school auditorium. Eighth grade girls served as judges and clerks.

The entire election was under the supervision of Mrs. Helen Sandidge.

LETTER FROM TEXAS

By Suzanne Watkins

The eighth grade have received a letter from Beverly Watson at the Howe public school in Howe, Tex. They received the letter Sept. 22. She writes that there are 265 pupils enrolled at her school. The public school and the high school are combined. Her subjects are history, geography, health, literature, mathematics, spelling and language. She would like an eighth grader to write her and tell her about their state, county, town and school.

PATROL NEWS

By Elaine Feiwell

The Safety Patrol mans 15 posts, most of them four times a day, 5 days a week. Nearly 300 times a week, patrol boys are at their posts at street and railroad crossings, on the playgrounds or where ever else they are needed. These points are protected by members of the safety patrol of Tinley Park school. The patrol has its own officers: Melvin Keuch, captain; George Klaus and Richard Wille, lieutenants. Dick Klepper and Warren Schluter are special patrolmen on duty at the Bert Fulton school and are also lieutenants. This year new belts were issued so that each patrolman on duty can be easily recognized as a member of the safety patrol.

The following boys have been on patrol duty every day since school started and thus have perfect records: Bob Jensen, Wesley Grant, Billy O'Neill, Billy Diekmann, Alfred Roberts, Kenneth Schmudde, Jim Nugent, Bob Hanson, Howard Line, James Darby, Larry Della, Alvin Bettenhausen, Richard Shantz, Dick Klepper, Dale Hutsch, Mike Dechant, Bill Vidnik, Bob Thomas, Fred Schaff, Allen Loucke, John McDaniell, David Phillips, Charles Powers, Mike Goebel, John DeValk, Bill Tindall, and Jim Rizutti.

BERT FULTON SCHOOL NEWS

By Patsy Anderson

The children in room 103 have a visitor in their class. He is Mr. Peter Cottontail (a rabbit). Of course they might change his name later if they decide on a better one.

Room 104

The children of room 104 have just completed their readers. Just like Dick, Jane and Sally they too had visited Brookfield Zoo. The children were worried

Scientists Discover Cause of Hangover

Research by medical authorities has just uncovered the chief cause of hangover. They find that the real culprit is not the alcohol itself, but the powerful microscopic impurities in it.

After a 19-month series of clinical tests, four New England doctors reported in a recent issue of the American Journal of Proctology that the purer the alcohol you consume, the less chance of hangover. Also, they say, the purer the alcohol, the slower it intoxicates.

What causes distress of hangover are the congeners you consume. Congeners are impurities found in distilled spirits such as acids, esters, aldehydes, furfural, fusel oil and tannins.

According to the researchers, "Based on the toxicity of the congeners in distilled spirits, results indicate that these substances play a role in both the immediate and after-effects experienced by drinkers."

It can be deduced from this study that blended whiskey, which contains less toxic impurities than straight whiskey, is less likely to cause uncomfortable after-effects.

that it would rain and make the trip impossible. The children took their lunches with them. They were amazed at the long neck of the giraffe and his long, blue sticky tongue.

As a science project the children will plant bulbs. They hope to see them bloom next spring.

The children of room 107 are completing their reading workbook. They have enjoyed making leaf spatter prints in science. They have been very fortunate to have the honor of having the P.T.A. banner in their room for the month of September. They hope to be able to hold it once more.

Room 106

Room 106 has adopted a maple tree. The children will watch its leaves change for fall.

Miss Brandau is teaching them some reading and numbers. Last week the children painted some very beautiful stained glassed windows.

Room 110

Room 110 have been quite busy in the Bert Fulton school. They have almost finished their reading text. They have made a science booklet on "The Five Ways We Learn." They made houses, cut out posters, painted pictures.

Farm Outlook Told in Letter From U. of I.

Prices of farm land continue to show remarkable strength. According to reports to the United States Department of Agriculture, the United States and Illinois averages went up 5 percent in the year ending in July.

In most other midwestern states land values went up even more. Missouri and Kansas each showed increases of 6 percent; Iowa and Nebraska, 7 percent; Indiana and Ohio, 8 percent; and Minnesota, 9 percent. Michigan values went up 5 percent during the year, the same as Illinois, while Wisconsin had an increase of 3 percent.

Outside the Corn Belt the most important increases were as follows: Six eastern states, Pennsylvania, New Jersey, Maryland, Delaware, Virginia, and North Carolina, 5 or 6 percent each; two range states, Montana and Texas, 6 and 8 percent respectively; and Florida, 10 percent.

Only three states reported declines in land values during the year ending in July: Wyoming, 2 percent; Vermont, 2 percent; and Maine, 4 percent.

Why did land values go up while prices of farm products eased down? We can list four possible reasons:

1. Many farmers need more land in order to use their machinery more efficiently, and some of them bid strongly for any land that is offered for sale in their communities. About one-third of all farms and tracts sold in 1954-55 were bought to enlarge farms, but in the Eastern Corn Belt, which includes Illinois, two-fifths went to make farms bigger. In the wheat areas nearly three fifths of the lands sold were added to existing farms.

2. In some good land areas, such as the Corn Belt, easier credit probably helped to lift land values. Some interest rates were reduced in the spring of 1954, and appraised values were increased so that buyers could get larger loans. Sixty-four percent of the sales were made on credit compared with 62 percent the previous year. The av-

1940. Prices of other things that farmers buy have increased only 124 percent.

Farm-land prices are much higher in the Eastern Corn Belt (including Illinois) than in any other large type-of-farming area. The average price for "good land" in the Eastern Corn Belt is reported at \$330 an acre compared with \$100 to \$200 for "good land" in most other areas. The higher prices being paid for

some Illinois farm land is largely a reflection of its superior producing capabilities compared with farm land in other states.

When driving under adverse conditions, take it easy. The Chicago Motor Club reminds you automobiles need more room to come to a halt when the road is wet. Cut your speed to compensate for the greater stopping distance.

Sports News

by JACK MAYPOLE

The sun of the "wood goof" is on the wane. Soon he may be found only in the winterlands where the wild swan hides its nest.

Every bowler who ever went to his sport dealers' store for a measured ball to improve his game is well acquainted with the species wood goof. His more common name is pinboy or spotter.

The true wood goof is not the neighborhood boy or man who works to earn a few extra dimes. He is the hardshell professional who travels throughout the land as he wills, using the pin pits as stopovers to get the necessary eating and sleeping cash. He usually enters the pits when the first snow flies and does not emerge until spring. He may work a league, he may work a season, it all depends on his whims and humors of the moment.

Threatening the wood goofs' existence is the increasing installation of automatic pinspotters. One Chicago concern has made 1,200 installations in Illinois north of Springfield alone. More orders are on hand.

Another well-known manufacturer of bowling supplies is set to make its first automatic installation at New York City in January. Midwest installations are scheduled to start in April. The company reports a large backlog of starting orders.

The automatics have definite

advantages. They are always ready to go and handle play with the same speed as manual setters. They do not tend to spill pins just as the bowler is ready to roll. The alley operator does not have to sweat out arrival and supply of spotters when a crucial league is coming up. He also finds himself free of the numerous and often onerous duties of caring for the spotters' needs.

And the automatic does not suddenly shout, "C'mon Fatso, let's go!" at the stylish stout who sponsors an entire women's league.

(Hear Jack Maypole over WJJD at 8:40 a.m. M-F.)

Knights Lose Tough One to Spartans, 13-7

The Lincoln-Way Knights played one of their best games of the year at Oak Lawn Friday but for a losing cause. The powerful Spartans, spearheaded by all-conference halfback, Art Aldridge, edged the Knights 13-7. The game was played under extremely poor conditions as a hard rain turned the gridiron into a swamp during the second half.

The Knights, received the opening kickoff but could not break thru the fine Spartan forward wall. However after Wondrasek's punt, Oak Lawn went barreling down the field in a relentless drive that brought them to the Lincoln-Way 12 yard line. But the Spartan backs suddenly hit a stone wall and had to give the ball up on downs. Then the game settled into a grueling duel with neither squad able to move. It was a case of three downs and a punt for the rest of the first quarter and part of the second. Then on one of these punts, Ron Studnicki gathered in the pigskin on his 20 yard line and raced 80 yards to pay dirt to give Red and Black a 6-2 lead. The Knights converted the point to run the margin to 7-0. When the half ended, things looked bright for the Knights.

But as in the Rich and Reavis games, the Knights suffered another case of "second halfitis." The Spartans scored twice in the second half to score a 13-7 triumph for the Oak Lawn crew.

Altho on paper the one win against six losses does not seem too successful, those who watched the Knights fight thru the season know that it was a good squad. Coach Lashmet fielded this year. They never lost by large scores and were fighting up to the last tick of the clock. Next season should be different is the general belief.

Thrift is one of the greatest of all human virtues. And the thrift habit comes easy through regular purchase of Savings Bonds on the payroll savings plan.

Teen Keglers Have a Lot of Fun Every Sunday Afternoon on Tinley Lanes

The Tinley Teen club is kept very busy with its various activities, not the least of which is the bowling league which sees action every Sunday afternoon on the Tinley Lanes. At the extreme left, wearing hat, tie and coat, is Trustee Joseph McCarthy, friend and counsellor who supervises the Teen club endeavors. Paul Leland had quite a job on his hands, lining up this many youngsters for a picture . . . They were all full of vigor and vitality and champing at the bit to start bowling, so thanks kids for holding still as long as you did . . . That's it . . . now, just one more!

Bremen Can Cop Conference Title With Win Over Rich Tomorrow

Behind brilliant line-play, the Bremen Braves blanked the highly touted Reavis Rams, 21-0, on the victor's gridiron Friday, Oct. 28.

Not until the fourth period did the Ram offense cross the 50 yard line and penetrate Bremen territory. A Ram scoring threat bogged down in the closing minutes when the Braves' junior backfield tightly covered all pass receivers.

Late in the second stanza a bad punt set up Bremen's first score. Climaxing a 30 yard drive Frank Warszalek crashed thru from three yards out to strike paydirt. George Stelmach tallied the extra point and gave the Braves a 7-0 edge at intermission.

L-W Frosh-Sophs Win 2, Lose 5, Tie 1 for Season

The final game of the season for the Lincoln-Way Freshman-Sophomore football team was played at the Oak Lawn field. The host team scored 20 points in the second and third quarters to give them the game 20-0.

The game was played on a very muddy field while rain poured down thruout the contest. Oak Lawn's powerful backs smashed thru the Knights and seemed to be paying no heed to the poor weather conditions. The Knights wound up the season with two wins, five losses and one tie. The victories were both scored over Wilmington, the losses coming at the hands of Reavis, Evergreen Park, Bremen, Rich and Oak Lawn. The Sandburg game wound up in a 12-12 deadlock.

The season is now over and the boys are to be complimented on their sportsmanship and improved playing ability.

Cadet Frosh-Soph Eleven Blanks Sandburg 9-0

The frosh-soph squad of Carl Sandburg high lost a hard

fought game to Morgan Park, 9-0. The young Eagles played without the services of two first team players, Hill and Freer.

After Morgan Park found a hole in the center of the Sandburg defense, and scored, the Sandburg defense got tougher, and allowed only two more points, on a safety, to be scored. The next and last freshman-sophomore game will be played Saturday morning, Nov. 5 at 9:30 against Oak Lawn. The game will be played at Sandburg.

Lincoln-Way Harriers Win Championship

Lincoln-Way's cross country team won the Southwest Suburban conference meet at Carl Sandburg in fine fashion to bring home the Knights first championship.

The boys met really tough competition, but with fine spirit and determination, they came through on top. Mark Schellenberg, Le Verne Mark and Stan Bruns placed fourth, fifth and sixth respectively to lead the Knights to victory. Jerry Collins finished 9th and Tom Rowswell 11th.

In cross country running, the team with the lowest number of points in the winner of the meet. The Knights received 37 points to Oak Lawn's 40, putting the Knights out in front.

Reavis and Carl Sandburg, placing third and fourth, were the only other schools participating.

In other meets this season, the Knights met Sandburg on Oct. 13 and came out the victor on a close score, 27-28. La Verne Mark and Mark Schellenberg, who finished first and second, helped give the Knights the edge over Sandburg.

They met their only defeat at Reavis on Oct. 18, when the Rams won 26-30. The Knights ran very well without the service of Schellenberg, who was out because of illness, but still they did not have enough to beat Reavis.

On Oct. 20, the Knights won their only home meet, which was against Sandburg. The team finished very strong, to take the first four positions and the victory 19-37.

Sandburg Edges Cadets; to Meet Oaks Tomorrow

The Eagles romped over the Cadets of Morgan Park to score their second straight victory 14 to 6. Morgan Park scored an early touchdown and led at the end of the first quarter. Sanderson climaxed a 90-yard drive with a four yard plunge. Partoll ran over the extra point. The

gun sounded and Sandburg led at the half 7 to 6.

The Eagles completely dominated play during the second half. Partoll climaxed another Sandburg drive in the third quarter when he scored from the five. He also ran the extra point. The fourth quarter was a scoreless dead lock with the game ending Sandburg 14, Morgan Park 6. The entire team played one of their best games and special recognition should be given to Bernie Partoll, Ron Sanderson and Wayne Borre.

The Eagles will play their last game of the season tomorrow against Oak Lawn. This is Sandburg's homecoming game and a banner attendance is expected. Game time is 3 o'clock.

The Eagles of Coach Devine will be shooting for their fourth win and a 500 season. Seniors who will be playing their last game at Friday's homecoming are: Bob Blaha, Bob Kaehr, Dave Anderson, Steve Yohandes, Jim Gray, Butch Macetenus, and Al Herbster.

More than 32,000 people work in Rockefeller Center in New York City.

ONLY IN THE '56 FORD. THUNDERBIRD POWER, THUNDERBIRD STYLING and LIFEGUARD DESIGN

In the low-price field
You can't buy safer!

And here's why. Ford alone brings you Lifeguard Design, a whole new family of safety features to give you extra protection in case of accident. There's a new Lifeguard deep-center steering wheel to help cushion the driver from the steering post; ★ new Lifeguard double-grip door latches to reduce the danger of doors springing open under impact; ★ new double-swivel Lifeguard mirror that "gives" for greater safety; ★ new optional Lifeguard padding material to cushion control panel and sun visors and lessen shock of impact; ★ optional floor-anchored seat belts to help hold passengers securely in their seats.

In any class
You can't buy better!

The '56 Ford inherited its beauty from the Thunderbird. It's long and low—a fine car in every graceful line. And you can have the Thunderbird's "lightning," too, at no extra cost for the new Thunderbird Y-8 engine is the standard eight in all Fairlane and Station Wagon models! Here's power that gives you split-second passing ability and hill-climbing "Co." Come in for your Test Drive . . . today! You're sure to find many more reasons why you can't buy better than when you buy Ford. New luxury interiors . . . fine exterior finishes . . . a quality "feel" throughout . . . all add up to make this 1956 Ford the fine car at half the fine-car price.

Square dancing was enjoyed at the Maue school Friday evening. Some instruction in ball room dancing was also given. Maue's school directors met in regular meeting at the school Thursday evening. Mr. and Mrs. Orlando John-

son of Seattle, Wash., were house guests of his aunt and family, Mr. and Mrs. Edward Mrosek, Friday through Monday. The Johnsons were enroute to Camden, New Jersey, where he will work in communications for RCA in the micro wave relay equipment section.

While here the Johnsons saw such points of interest as the University of Chicago, the Industrial Museum, the Merchandise Mart and made a general tour of Chicago's loop. They enjoyed a drive along the lake shore and through the local area.

Saturday they attended the wedding of his cousin, Edward Koskie, formerly of Boise, Idaho at the Flossmoor Community church. Sunday they and the Edward Mroseks were dinner guests of Mr. and Mrs. Gust Mrosek in Chicago.

Mrs. Roy Jones of Riverdale was completely surprised when she found herself the honor guest at a birthday party which had been planned by her husband and his sister, Mrs. Albert Reeves, in the latter's home. The first fall meeting of the Homer Husky Hustlers 4H club was held at the Homer church recently. Two new members, Judy Osborne and Joy Purdy were elected. New officers elected are: president, Don Cagwin; vice pres., Jean Stamm; secretary, Mary Stamm; treasurer, Tom Townsend; reporter, Barbara Hansen. Twenty four members were present. Refreshments were served by the leaders, Everett Heatherwick and Joyce Purdy.

Mr. and Mrs. Barney Welter and daughter, June, accompanied by Miss Eileen Bremen, attended the Ice Follies at Chicago stadium Saturday evening.

Mrs. Claude Colegrove and Mrs. Edwin Hank and daughter, Betty Mae, were guests at a luncheon in the home of Mrs. Marvin Wilder, 4th St. Lockport last Tuesday. The luncheon was in honor of Mrs. Calvin Wilder of Lawrenceville, who, with Mr. Wilder, is spending two weeks in the Marvin Wilder home. The guests are the parents of their host.

Mrs. Neil Garabrant left by plane last Tuesday morning, to go to Tampa, Fla., where she was on hand to welcome home from the hospital, her new granddaughter and the baby's mother, Mrs. John Garabrant.

Mr. and Mrs. John Loucks left Saturday evening for Jacksonville, Fla., where they will spend their vacation with their daughter and son in law, the James Springers.

Rav Carlson was a business visitor in Springfield several days last week.

The Missionary society met in the church Thursday with Mrs. Wrey White and Mrs. Edna Merger as hostesses, with 13 members and three guests present.

Mrs. Roy Chaplin became a member of the group. Reports of the Fall sale and also of the Association rally were heard. This group will send to Miss Meebold, a missionary in Truk, Caroline Is. a fruit cake for Christmas. Plans were announced for the supper which will be served to a First Presbyterian church club from Joliet by the Homer church women the evening of Nov. 8. The chairman in charge is Mrs. Roy Parker.

The Homer Woman's club will be entertained in the home of Mrs. Owen Ott, 159th and Gougar road Wednesday, Nov. 9. Mrs. George Ott will be the co-hostess.

To Vote On New Pastor
Sunday morning, Nov. 6, Homer church people will try to choose a pastor from among the candidates who have preached during the past two months since the pulpit was vacated by Arthur Talbert. On Oct. 30, the service was conducted by the Rev. H. R. Jay, a former pastor in Homer and Lockport, who is also a candidate.

Homer Com. Chest Fund
Mrs. John Donahue and Bruce Anderson, who served as co-chairmen for the recent Community Chest drive in Homer, each received an Oscar award for collecting and turning in \$402.75, which is believed to be the largest amount ever to be turned in from Homer township from any one chest drive. While they worked diligently themselves, they fully realize that a large share of the credit goes to the other workers who were: Mrs. Ed Voltarel, Mrs. C. H. Adelman, Mrs. Louise Brubaker, Mrs. Barney Welter, Mrs. Wm. Bengston, Mrs. John Ohla, Mrs. Joe Ponkauskus, Mrs. M. E. Cagwin, and Mrs. Chas. Sasse. They wish to extend their sincere appreciation and thanks to these workers and to the Homer township people in general for working and contributing so generously.

Scot Guards Will Put On Show At Stadium Nov. 23

One hundred colorfully uniformed members of Britain's famed Scots Guards will be in Chicago Stadium on Nov. 23. The Stadium performance will be one of many stops for the colorful Regimental Band, Massed Pipeers and Highland Dancers, who will tour 48 cities in the United States and Canada. Tickets for the Stadium performance which is under the auspices of the English Speaking Union, go on sale Monday at noon.

Washington D.C. was the first stop for the Guards on Oct. 7 and the Uline Arena was sold out a week in advance. Most of the other cities on the tour are reporting comparable response. After the sellout in Washington, a special street parade was held the following day with more than 10,000 braving bad weather to glimpse the regiment which Americans travel thousands of miles to see.

One new V-8 engine was tested more than three million miles under all conditions before being put into production.

Warns Against Carbon Monoxide From Autos

"Carbon monoxide is a killer that strikes especially in cold weather," Charles M. Hayes, president of the Chicago Motor club, warned today. Hayes pointed out that small doses of the deadly gas slow driving reactions sufficiently to cause accidents. One part of carbon monoxide in 700 parts of air can be fatal. One part in 1,700 parts of air can cause nausea. Because it is colorless, odorless and tasteless, it cannot be detected by the senses.

Fortunately, there are danger signals. While in an auto, any drowsiness, headache or nausea should be heeded as warnings. Other warnings that should be watched are slowed brake reaction, poor vision and reduced coordination. When experiencing any of these reactions, all occupants of a car should get out and walk in the fresh air, breathing deeply.

Carbon monoxide is produced from imperfectly burnt motor fuel, and usually comprises about seven per cent of the exhaust gases. An excessive amount may be produced by faulty engine adjustment, but even with the best adjustment, fatal leakage of the gas can occur. Chief causes are faulty gaskets, defective exhaust systems and clogged tail pipes.

Physicians point out that carbon monoxide may overcome a person so quickly that he does not realize his danger. Often there is not enough time to get into fresh air.

To reduce the possibility of monoxide poisoning, the Motor club recommends:

1. Never run a motor in a closed garage or other unventilated enclosure.
2. Always keep a car window open to assure air circulation.
3. If you are sitting in a stopped car for more than a minute or two, shut off the motor.
4. Check your engine for proper combustion.
5. Check all points of the ex-

haust system for leaks and stoppages.

6. Heed, and act quickly at, these danger signs: dizziness, headache, nausea, slowed brake reaction, reduced coordination, decreased vision.

Republican Vets League Group Endorses Castle

Attorney General Latham Castle's announced candidacy for re-election today has the unanimous endorsement of the Cook county council of the Illinois Republican Veterans league.

The endorsement was made at a monthly meeting of the league. It detailed Castle's achievements as Attorney General of Illinois and expressed the league's "sincere belief" that Attorney General Castle "has conclusively demonstrated that he is an exceptionally fine attorney general and that by his outstanding service he has reflected great credit to his comrades and fellow war veterans and to the Republican party."

Which is Cleaner?

RESULTS OF RECENT IMPARTIAL RESEARCH:
Engineers of the Colburn Laboratories, one of Chicago's leading independent research organizations, report: "We made comparisons of the amount of soil produced during use of 3 modern flame-type ovens and 3 modern electric ovens. Over 60 tests were made. More than a thousand measurements of soil deposits were taken by precise photo-electric instruments. These readings showed the flame-type ovens deposited an average of twice as much greasy soil as did the electric ovens." (All of the ranges tested were top-name brands.)

The answer: Electric cooking keeps your kitchen twice as clean!

Your kitchen keeps that freshly decorated look a lot longer when you use a clean-cooking, modern electric range. But there are other reasons why you'll like electric cooking.

For example, did you know that nothing cooks faster than today's high-speed electric surface units? And temperature controls are so accurate you can keep mashed potatoes warm without fear of scorching them.

You'll love the way cakes rise high and how evenly they brown in your electric oven, too. Even prepared mixes turn out tasting moist and tender as homemade in a modern electric oven.

A fast, clean-cooking electric range is an extra-good buy right now. With our New Share-the-Cost Installation Plan, you save important money on installation ... and the modernized wiring makes your appliances work better. Get details from any appliance dealer.

New electric ranges low as \$2.16 a week, complete, installed!

Illinois High School Students Have Chance at Scholarships Offered by Trinity College

Many young men from Illinois have turned for their higher education to the concentration of scientists, scholars and men of letters in the colleges and universities of New England.

The cost of travelling and of living so far from home has made it difficult, and often impossible, for young men with modest financial resources to share this experience.

To overcome this, friends of Trinity college at Hartford, Conn., have established an incorporated educational fund in Illinois to provide scholarships of up to \$6,000 over a four year period to outstanding young Illinois men who wish to attend Trinity. More than 40 recipients of such scholarships, known as Illinois scholars, are enrolled at Trinity. In addition, another large group of Illinois students attend the college.

The Trinity college scholarships for the state of Illinois are awarded by Scholarships for Illinois Residents, Inc. Directors of the corporation are George R. Carr, former chairman of the board, Dearborn Chemical Co., Chicago; Dr. Albert C. Jacobs, president of Trinity; Alfred N. Guertin, actuary, American Life Convention, Chicago; David B. Peck, III, vice president, Lamb Little & Co., Chicago; and G. Keith Funston, president of the New York Stock Exchange.

To receive a scholarship, applicants must be in the first quarter of their high school class and meet other qualifications. These scholarships are op-

en to all students who are residents of the state of Illinois. The directors have established as one of their aims the recognition of outstanding achievement regardless of race, creed, color or financial standing.

Scholarships may be awarded in some cases for an amount sufficient to cover all college expenses. All awards are adjusted as carefully as possible to the financial need of the recipient. A student who has the means to finance his college education is awarded, if he wins an Illinois scholarship, the sum of \$100 as a prize upon entering college. Another student may need \$400 or \$500 per year while still another may need the maximum of \$1,500 per year. All three are Illinois scholars. No mention is ever made of the amount an Illinois scholar receives.

Ten to 12 scholarships are ordinarily awarded each year. Each scholarship will continue for four successive years if the recipient each year maintains the required qualifications and achieves the required scholarship grades.

Applications should be made before March 15 to the Director of Admissions, Jarvis Hall 19, Trinity College, Hartford 6, Conn. The awards will be announced on or about April 15.

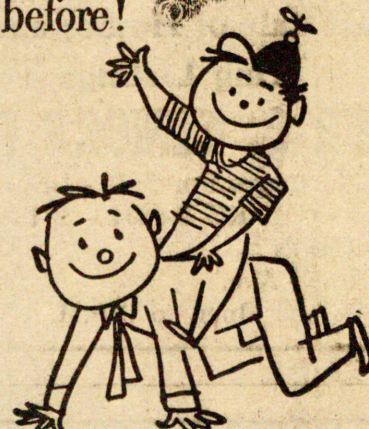

Preventing fire in the woods not only means saving valuable timber, but also conserving soil and water, providing better conditions for wildlife and lowering property losses, says a University of Illinois farm forester.

The Illinois egg law says that all eggs bought from farmers must be candled before they are paid for, all unfit eggs must be returned to the producer without being paid for and all eggs sold at retail must be either labeled according to size and grade or sold with the "ungraded" label.

The Teenage Book Club at Lincoln-Way high school is apparently a huge success. The books are sold through the English classes with one selection every month. The books which are available will satisfy many kinds of reading preferences. There are mysteries, biographies, adventure stories and books which are full of laughs. The books are paper backed, pocket size.

The best sellers of the month are The Bridges of Toko-Ri, Sue Barton, Rural Nurse; The Man From Laramie, Curve Ball, Laughs, Baby Sitters Guide, and For Laughing Out Loud.

If you're not already a subscriber to TAB, they can be ordered thru your English teacher right away.

Game Night

The Industrial Arts club and the physical education department sponsored a co-recreation night Wednesday, Oct. 26, from 7-9 p.m. The gymnasium was a picture of bustling activity with boys and girls enthusiastically taking part in basketball, volleyball, badminton, ping pong and shuffleboard. At 7 o'clock a fire was built back of the school so the boys and girls could roast wieners.

These Co-Ree nights are well attended by the student body for they provide good, clean fun.

Riding Club Elects Officers

The second meeting of the Lincoln-Way Riding club was held Monday, Oct. 24 in the girls' gym.

The officers elected are as follows: President, Sandy Eden; vice president, Jerry Moede; secretary, Pat Boleman; treasurer, Marvin Bormet; publicity chairman Janet Timm.

Family Living Class

The Senior Common Learning class now involved with studying family living was addressed by Mr. Everett Cooper, prominent Mokena businessman on Thursday, Oct. 27.

His talk included information about the various types of insurance policies and the procedure to follow when purchasing a home.

Number Lover's Corner

Hi! Grab your thinking cap, sharpen your pencil and have fun.

1. Two prospective employees Joe and Lou, applied for the same job. The interviewer gave them a choice between \$1500 a year plus a \$300 a year raise or \$1500 a year plus a raise of \$75 every six months. Joe picked the raise of \$75 every six months. If one man was hired on the basis of wisdom, which man got the job?

2. If in one hour one drop of water fell into a barrel and after that, each hour the drops doubled, how many drops would have fallen in by the 28th hour?

3. Supposing, two drops fell in the first hour, and each hour the drops doubled, at what hour would the barrel be full, if in the second problem the barrel was full in the 28th hour?

Rhythm Knights Perform

One of the new organizations at Lincoln-Way this year is the Rhythm Knights. This is a drill squad composed of twelve girls using pom-poms.

For quite a while Mr. Taylor and Miss Sprayberry had been discussing the idea of starting a group similar to this one. Mr. Taylor had secured through the mail some literature on a girls' drill squad which used pom-poms. It was decided that a squad of this type would be formed in our school. Tryouts were held and twelve girls were selected. They are Dona Ullrich, Lois Fee, Kathryn Cooper, Carol Hohenstein, Linda Powers, Dorothy Beam, Diane Neuls, Barbara Duer, Raydene Cook, Jo Ann Mundt, Judy Feil and Chris Barnes, and alternate Pat Bradley.

Soon after the girls were chosen, they began learning the routines. They selected their name and decided that their outfits would be gym shoes, red knee socks, black corduroy Bermuda length skirts, and white long sleeved blouses.

The Rhythm Knights gave their first performance Oct. 21, at the Sandburg game. Further performances will be given during the basketball season. Emphasis will be put not only on the routine but also on intricate patterns and formations.

Biology or Commerce?

If you happened to pass Hickory creek last Saturday, Sunday or even Monday night, you probably would have seen Ron Fredin, Dave Gillmore, or Leonard Senglin trying feverishly to catch crayfish to sell to the biology students. Two weeks ago Mr. Ellermann assigned all the biology students to bring in a crayfish which they are going to dissect. Some of the kids either didn't have time to catch them, didn't know how or couldn't find them. So-o-o Linda Powers, Barbara Niemann, Linda Ruhle, Judy Eden, Karen Miller, Gus Fehrenbacher, Larry Francis and Jim Stauffenberg bought them. The boys

sold the crayfish for a dime apiece, for a gross return of 80 cents.

F. H. A.

The Future Homemakers of America held their business meeting of the month Tuesday, Oct. 25 in the school gym. The meeting was opened by the president Janet Feil. Each one of the officers gave a report on what she had learned at the officers training clinic at Carl Sandburg high school, Oct. 24. Many new ideas were gained. Speaker of the Illinois house of representatives, Warren Wood, gave a talk on parliamentary procedure.

At the close of the meeting the officers taught the members some of the songs they had learned at the training clinic.

Mrs. Butler Attends Meeting

Mrs. Florence Butler attended a meeting of supervisors of student teachers at the home management house of Illinois State Normal university, Oct. 31. The purpose of the meeting was for all the supervisors to meet, discuss problems, make suggestions, and find out what the others are doing.

The South Suburban branch of the American Association of University Women is sponsoring its annual Future Teachers Party on Thursday, Nov. 10 at 8 p.m. in Fellowship hall of Flossmoor Community church. As in past years the program will be both entertaining and informative, and will include a panel discussion of such topics as selecting a college, paying for education, participating in extra curricular activities, etc. Students of south suburban high schools are invited to attend, especially those interested in becoming teachers. Invitations have been issued by letters to the sponsors of the Future Teachers of America clubs and students may make arrangements with these teachers for transportation which will be furnished by AAUW.

Representatives of Lincoln-Way's FTA are planning to attend.

PHI-CHEM BANQUET

The Phi-Chem association's annual banquet was attended by 115 students, parents, and friends, Oct. 19, in the school cafeteria.

Jim Cooper, master of ceremonies, introduced Dr. Pomeroy, the guest speaker who spoke about radioactivity and its important uses in medicine and industry. He told about the Argonne Laboratory with which he is associated. His talk was illustrated with slides.

In 1949 Dr. Pomeroy received his doctor of philosophy degree from the Massachusetts Institute of Technology. He formerly taught at the universities of Florida and Tennessee. He worked on the wartime Manhattan (A-bomb) project.

Supt. A. Hunter Chapman greeted the group and expressed his appreciation to the club for helping promote more interest in science among the students at Lincoln-Way.

The officers of the Phi-Chem association discussed various activities planned for the year. Paul Schuh explained the scholarship which will be given an-

nounced by the association. The belle was awarded 1st prize for her costume; Debbie White, as a Gypsy, received 2nd and Tom Hutchison as Davy Crockett, won third prize for his costume.

Miss Marguerite Spires has resumed her duties at the Illinois Masonic hospital in Chicago where she is in nurse's training, after spending a few days vacation here with Mr. and Mrs. William Stoner and daughter Cheryl.

A Pupil Accident Insurance program is available at the Schmuhl school this year. A minimum of 25 students must be enrolled in order to put this plan into effect. The fee is \$1.00 per year, per student, and the coverage includes all accidents to and from school, walking or on school bus; School sponsored programs at home or out of town; On play ground if activity is supervised by authorized adult.

Any parent interested in obtaining further information on this program call New Lenox 2132.

Mr. and Mrs. Pat Cullen and family were guests Sunday of Mr. and Mrs. P. J. Cullen in Chicago. A dinner was served to celebrate the birthdays of Gary Cullen, who was three on Nov. 6 and Margaret Cullen who was two on Oct. 30.

Mrs. Mary Shuldes of Chicago is spending this week with her granddaughter, Mrs. Clare Newman and family.

Egg buyers will be taught how to candle eggs in a series of meetings conducted by the State Egg Law Information and Education Committee.

Mr. and Mrs. David Dralle and family were dinner guests of Mr. and Mrs. Carlyle Weber at Herscher Saturday evening.

Miss Alice Meisterling and Henry Klentz of Peotone attended the 32nd wedding anniversary of the former's sister, Mr. and Mrs. Fred Wise at Monee recently.
